Introduction

Ekotox Centers together with partners and representatives of DUCC and European industry associations A.I.S.E., Cosmetics Europe, Fecc and other colleagues and partners from European industry, authorities and NGOs are delighted to announce the REACH Conference 2025 in Katowice-Chorzow, which will focus on the new legislative requirements and its potential impact on companies and member states covering the following topics:

SESSION 1 Chemicals Legislation – GPSR EU + the Republic of Korea, detergents, cosmetics.

SESSION 2 Chemicals Action Plan and upcoming Chemicals Industry Package

SESSION 3 EU CLP Regulation

SESSION 4 Chemicals – Knowledge base, Enforcement

Official language of the Conference 2025 is English. However titles translation to different languages is possible.

The REACH Conference will be a hybrid event, held both in person and online.

REACH Conference Background

REACH Conference is organized for the 15th time combining lecturers and participants from different sectors of industry, authorities, academia, NGOs and other stakeholders.

From 2019 to 2023, due to COVID, the conference was not taking place. Now, after 2024 REACH Conference in Bratislava we are moving to Poland - Katowice/Chorzow!

We are happy to be able to put together top speakers from chemicals management area again and to facilitate discussions on the topics which will have an impact on assessment and management of chemicals for at least a decade to come.

So the REACH Conference 2025 is to discuss the present and future aspects of the European “chemicals +” legislation, having also GPSR invited expert from the Republic of Korea. Also Ukraine chemicals legislation including REACH (pre)registration will be discussed during the Conference.

Online participation

The „Chemicals management - REACH Conference 2025“ will be shared online through **Microsoft Teams**.
