REACH CONFERENCE 2024

BRATISLAVA

**15.-16.
OCTOBER**

REACH 2.0
**Focus on improving /
updating the Risk
management of
chemicals in
the EU.**

- EU Chemicals Legislation - as of today
- The transition towards safer and more sustainable chemicals
- Chemicals Management beyond REACH 2.0
- Chemicals – Knowledge base, Rights to know, Enforcement

REACH CONFERENCE 2024

REACH Conference 2024 is organized for the fourteenth time combining lecturers and participants from different sectors of industry, authorities, academia and other stakeholders. Now EU chemicals legislation reached the important milestone defined by new policies of European Industrial Deal to complement the Green Deal. To manage all new requirements will be a challenge for all involved. The European Commission published a chemicals strategy for sustainability on 14 October 2020. It is part of the EU's zero pollution ambition, which is a key commitment of the European Green Deal. Some of key elements listed below:

*'safe and sustainable by design',
'chemicals and circular economy: towards not-toxic material cycles',
'essential uses',
'endocrine disruptors',
'pfas',
'chemical mixtures – mixture assessment factor',
'one substance – one assessment',
'zero-tolerance approach to non-compliance',
'research, innovations, funding'*

So what are the main topics of REACH Conference 2024?

SESSION 1 EU Chemicals Legislation – as of today

...OSOA, ED guidance, CLP font sizes, CLP grouping for classification, Chromium restriction, ESPR/other product legislation...

SESSION 2 The transition towards new requirements for chemicals and products

...Industrial Deal- new way of policy making, Essential Use, Plastics Treaty...

SESSION 3 Chemicals Management in terms of the Chemicals Strategy for Sustainability

...Toxic-Free, substitution, polymers, pfas, nanomaterials...

SESSION 4 Knowledge base, Rights to know, Enforcement

...Research, Innovations, Zero-tolerance, market / import control...

Simply, there is a lot of what to discuss so you should not miss this opportunity!
Language of the REACH Conference 2024 is English.

EKOTOX CENTERS

31 YEARS OF CONSULTANCY 1993—2024

Support for compliance — EU regulatory requirements
(REACH, CLP, detergents, RoHS, WEEE, POPs...)

· Biocides, Detergents, Cosmetics

· risk assessment...risk management... SDS, eSDS, exposure scenarios...products/articles

REACH registration & authorisation services

Biocides registration & authorisation services

15 October Tuesday

8,30—9,00	REGISTRATION OF PARTICIPANTS
9,00—9,10	WELCOME AND INTRODUCTION
9,10—9,40	EU Chemical Strategy for Sustainability <i>Peter Korytár, European Commission</i>
9,40—10,10	Chemicals Legislation Challenges – ECHA Current & New Tasks <i>Peter van der Zandt, ECHA</i>

Session 1 EU Chemicals Legislation – as of today & revision in front

10,10—10,30	EU Chemical Strategy for Sustainability - stocktaking <i>TBI, Cefic</i>
10,30—10,50	REACH Regulation – everyday challenges <i>TBI</i>
10,50—11,10	CLP revision and its implementation challenges <i>Tatiana Staruchova, Exxon</i>
11,10—11,30	REACH revision to foster the green transition and boost the European competitiveness <i>Mr. Jonathan Crozier, BASF</i>

BREAK 11,30—11,45 COFFEE BREAK

PANEL SESSION 1

11,45—12,15 Panel discussion led by Dunja DRMAČ, Cefic

BREAK 12,15—13,00 LUNCH

Session 2 The transition towards new requirements for chemicals and products

13,00—13,20	Practical examples of the REACH revision <i>Dr. Fatemeh Ahmadnian, BASF</i>
13,20—13,40	Chromates – authorization / restrictions <i>TBI</i>
13,40—14,00	PFAS restrictions - lessons learned from the ongoing process, <i>TBI</i>
14,00—14,20	Lead substances restrictions / authorisation <i>TBI</i>
14,20—14,40	<i>RAC Perspective in restriction proposals for PFAS & Chromates</i> <i>Dr. Zuzana Klöslová, RUVZ</i>
14,40—15,00	Substitution planning carried out by companies <i>Dr. Fatemeh Ahmadnian, BASF</i>

PANEL SESSION 2

15,00—15,30	Panel discussion led by Hugo WAETERSCHOOT, Eurometaux
15,30—15,45	CLOSING OF CONFERENCE DAY 1
15,45—17,00	GLASS of WINE and Corridor Discussions
20:00	DINNER

16 October Wednesday

Session 3 Chemicals Management beyond REACH

9,00—9,30	One Substance One Assessment (OSOA) <i>TBI</i>
9,30—10,00	Ecodesign for Sustainable Products Regulation (ESPR) – what's next for the industry and how to make it work <i>Dunja DRMAČ, Cefic</i>
10,00—10,20	Battery regulation - recharge <i>TBI</i>
10,20—10,40	Other frameworks regulating chemicals <i>TBI</i>
10,40—11,00	Challenges to cope with the multitude of different legislations: experience from the metal IND <i>Ainhoa Gonzales, Eurometaux</i>

BREAK 11,00—11,30 *COFFEE BREAK*

11,30—12,00 Panel discussion

BREAK 12,00—13,00 *LUNCH*

Session 4 Chemicals – Knowledge base, Rights to know, Enforcement

13,00—13,30	Inspections – today practice and future challenges <i>TBI</i>
13,30—14,00	REACH4Textiles project <i>TBI</i>
14,00—14,20	Update from ECHA's Forum for Exchange of Information on Enforcement <i>TBI</i>
14,20—14,40	Enforcement by MS <i>TBI</i>

PANEL SESSION 4

15,00—16,00	Panel discussion
16.00 -	CLOSURE OF REACH CONFERENCE 2024
